Description

A real gem of a property, certainly one of a kind, exceptionally charming and curious top quality villa absolutely oozing with rustic character. Approx. 25 years old and enjoying a very tranquil and sunny location privately tucked away and hidden from passers by within the vast area of Marxuquera. The large main town of Gandia is a picturesque 7 – 10 min drive through the orange groves and here are found all amenities including numerous shops, large shopping centers, hypermarket, sports grounds, general hospital, schools, university etc etc. Just a mile from Gandia town is the superb blue flag award winning sandy beach resort with many amenities plus Club Nautico and Marina, the number one resort for Spanish tourism.

Double electric gated entrance into the 4000m2 flat fenced plot with immaculate colorful landscaped gardens, large 10m x 5m swimming pool, surrounding sun terraces, large garage 3 cars, summer kitchen, store room / workshop, fish pond, all varieties of fruit trees and vegetable patch plus own orange grove.

The villa is maintained in absolutely immaculate condition throughout and has mains services (not drinking water) plus own 70m deep perforation providing an endless amount of free clean water ideal for the pool and irrigation. Charming villa with heavy beamed ceilings and superb carpentry sold with many furnishings included and the accommodation briefly comprises of:

Ground floor: Large covered dining terrace, lounge / dining room with high beamed ceiling, large naia / conservatory, fitted kitchen, master bedroom with en suite ...
